***Allowable Subject Matter***

1. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

The allowability of the independent claims 1 and 6 resides, at least in part, in that closest prior art of record McNeely (U.S. Pub. 2002/0162059) does not disclose or suggest, alone or in combination, utilizing a hierarchical definition language with run-time control capability in at least one server and a local control system coupled to a plurality of systems under test (SUTs) to represent and control a box line manufacturing process of computer systems in a unified manner, in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed Kidest Bahta whose telephone number is 571-272-3737.
